

# OLSON 911 S

## For

# Steve Haislet

Our success is a function of the talent and experience of our staff and an unmatched level of attention to detail. While the staff includes world class sailors, the emphasis has been on attracting the world's best sailmakers. Our approach is straight forward: nothing short of perfection is acceptable to build the best sails. Our philosophy is simple -- no expense is spared, no stone left unturned, no exception. Time and again, in competitive situations where performance could be quantified, this philosophy has proven itself true.

The above diagram is an approximate representation of the proposed sail. The actual sail geometry, panel layout, and cloth percentages may vary.

**Cloth:**  
Dimension 300S MT (7.0) (100%)

### Cross Cut Racing Mainsail

**P: 36.00 FT                      E: 11.90 FT**

**Sail Area:** 267.75 FT<sup>2</sup>  
**Construction:** Computer designed and cut cross cut construction using Dimension 300SF MT (7.0) (100%)  
**Includes:** Sail numbers, draft stripes, cunningham, leech cord with a cleat, telltales, sail ties, sail bag

**Notes:**

**Base Price:** \$2,164.00

**Options:**

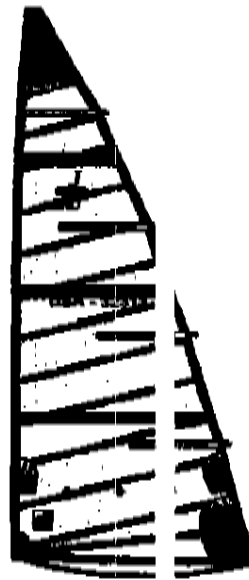

Reefs (2) \$230.00  
 Battens (RBS) \$124.00

**Sub Total:** \$2,518.00

**20% Discount:** \$504.00

**Total Price\*:** \$2,014.00

\* Sales Tax Not Included

The above diagram is an approximate representation of the proposed sail. The actual sail geometry, panel layout, and cloth percentages may vary.

**Cloth:**  
Dimension 300S MT (7.0) (100%)

### Cross Cut Racing Mainsail TC

**P: 36.00 FT                      E: 11.90 FT**

**Sail Area:** 267.75 FT<sup>2</sup>  
**Construction:** Computer designed and cut cross cut construction using Dimension 300SF MT (7.0) (100%)  
**Includes:** Sail numbers, draft stripes, cunningham, leech cord with a cleat, telltales, sail ties, sail bag

**Notes:**

**Base Price:** \$2,164.00

**Options:**

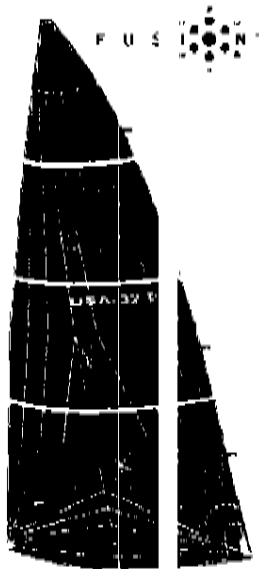

Reefs (2) \$130.00  
 Battens (RBS) \$124.00

**Sub Total:** \$2,518.00
